

Legacy information form

Making a legacy to RCVS Knowledge is a powerful way to ensure that advances in veterinary science and understanding, improvements in care and treatment of all animals, protection of our public health and our environment, can continue long into the future.

Legacies to charities come in different forms. You can leave:

- A residuary gift: All or part of your estate remaining after family and friends have been looked after.
- A pecuniary gift: A lump sum (best made inflation-proof).
- A specific gift: Specific items (real estate, jewellery, antiques, shares).

Legacies to charities are exempt from tax, so you can also reduce the tax burden on your estate.

If you would like more advice or help about making or changing your Will, please fill in the details below and then mail this form to: RCVS Knowledge, 3 Waterhouse Square, 138-142 Holborn, London, EC1N 2SW.

Your details
